Covered Area

The ITP covers a 290-ha (725-acre) wind generation facility including up to 25 turbines in Guayanilla, Puerto Rico. Puerto Rican crested toads have been observed in the Punta Ventana portion of the project. The Permittee proposes installation and operation of eight wind turbines in Punta Ventana over 79 ha (195 acres) that would affect about 5.1 ha (12.6 acres) of dry forest habitat. The revised HCP includes the site plan for the project and detailed information on the areas within Punta Ventana that would be affected by the construction and operation turbine sites, connecting roads, staging areas and connection to a substation.

Next Steps

We will evaluate the ITP amendment application, including the revised HCP and any comments we receive, to determine whether the amendment application meets the requirements of section 10(a)(1)(B) of the Act. We will also evaluate whether amendment of the section 10(a)(1)(B) ITP complies with

section 7 of the Act by conducting an intra-Service section 7 consultation. We will use the results of this consultation, in combination with the above findings, in our final analysis to determine whether or not to amend the ITP. If we determine that the requirements are met, we will amend the ITP to include the Puerto Rican crested toad as a covered species for incidental take.

WASHINGTON, D.C. 20240

FEB 27 2013

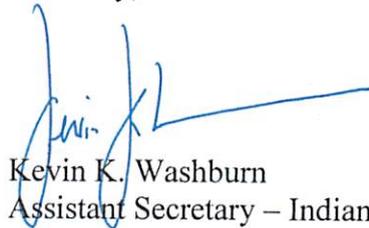

Honorable Cyril L. Scott
President, Rosebud Sioux Tribe
P.O. Box 430
Rosebud, South Dakota 57570

Dear President Scott:

On February 5, 2013, we received an Extension to the Class III Gaming Compact between the Rosebud Sioux Tribe (Tribe) and the State of South Dakota. We have completed our review of the Extension and conclude that it does not violate the Indian Gaming Regulatory Act of 1988 (IGRA), 25 U.S.C. § 2701, *et seq.*, any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or the trust obligations of the United States to Indians. *See* 25 U.S.C. § 2710(d)(8)(B). Therefore, pursuant to my delegated authority and Section 11 of IGRA, I approve the Extension. *See* 25 U.S.C. § 2710(d)(8)(A). This Extension shall take effect when the notice of our approval is published in the *Federal Register*. 25 U.S.C. §2710(d)(3)(B).

I wish the Tribe success in its economic venture.

Sincerely,

Kevin K. Washburn
